Dear Group or Society Golfer

September 2020

We are delighted to publish our 2021 brochure and also our golf offers for winter 2020/21. Discover our extensive range of packages which enable a great day out at fantastic prices.

As always, we remain committed to providing you with a warm welcome, great service and value for money.

We hope that you choose to enjoy our excellent course and clubhouse facilities this coming season.

"Winter Warmer" Package

- Our most popular winter package by far!
- Available from 1st November 2020 right through to the end of February 2021, excluding only the week between Christmas and New Year.
- Enjoy toast & marmalade with your coffee on arrival as well as a nice hot cup of soup half way round on the 10th tee. Back in the clubhouse after your round you'll appreciate your full English breakfast.
- Ideal for any 4 ball wanting a great day out.
- At £34 per person we believe this provides you with excellent value.

Christmas 2020 Packages

- Available during November & December.
- Our 9 hole packages give added flexibility for those with time pressures.
- Equally, the 9 hole package from £28 offers a keen price ensuring excellent value for money. This package provides coffee on arrival, 9 holes of golf and a one course turkey meal to finish.

2021 Group & Society Golf Days Brochure

Whilst all of the package features are listed on the brochure front cover it is worth noting that:

- We have amended the pricing tables so that during weekdays lower "afternoon" prices now begin an hour earlier at 11am (which is the same as weekends).
- Our popular breakfast menu now also features a smaller breakfast option for those wanting a slightly less substantial meal. This now means that it is possible to have unlimited coffee and an English breakfast and play golf between 11am and 12 noon weekdays for around £3 per person less than you would have needed to pay in 2020
- A FREE PLACE IS AVAILABLE. This free organisers place applies to groups of 12 or more and has proven very popular. We believe this to be a fantastic offer which rewards the efforts of the person responsible for coordinating and managing their group.
- Remember to book your buggies in advance to both ensure availability and to secure the pre booked discount. We have a brand new fleet of 20 of the latest electric buggies which are

equipped with GPS systems displaying lovely course graphics on large 10 inch screens alongside a host of other features. Electric trollies are also available for hire.

- NEW goodie bag option only £2.50 providing tees, pitch reparer and ball marker now available on your booking form.
- Discount is available for charities and also afternoon packages.
- Remember to consider options such as great value 9 hole packages. These are ideal for team building days and provide a solution to time pressures as well as being suitable for afternoon tee offs
